ORGANIZATIONAL DIRECTORY

1961

FOR OFFICIAL USE IN THE FOREST SERVICE

This handbook is for the use of members of the Forest Service only.

It shows the names and headquarters of the Forest Service personnel responsible for various units, key functions, and lines of work. It does not include all personnel. Listings are as of October 1, 1960.

The first person named under each unit is in charge of that unit. Titles are omitted unless needed to show the relation of individuals to the organization, or to indicate specific duties.

The express address of a ranger district is the same as the headquarters unless otherwise shown.
